

Jesus, Jazz, and Dessert Wine

1

Pick a creative location (e.g. Jazz bar, live YouTube show).

2

Pick a date.

3

Gather a group of people (can be online or socially distanced); stretch yourself to reach outside traditional Christian groups or networks.

4

Open with live music. Wine or dessert (or dessert wine!) is a bonus.

5

After the live music, invite people to share a story about their life.

6

After the storytelling, affirm the importance of people's stories.

7

Gather again in a week or a month.
